Dear Erin Klassen:

On behalf of Alberta Health Services (AHS), we congratulate Highland Moving & Storage Ltd. on being recognized with a 2022 National Philanthropy Day Award from the Association of Fundraising Professionals Edmonton and Area Chapter.

We truly appreciate your support of the Stollery Children's Hospital Foundation through donating time and services to its events and initiatives. Your generous support of foundation initiatives such as the Giving Comfort program helps ensure our youngest patients and their families continue to receive the best possible healthcare services now and in the future.

Congratulations again on this well-deserved recognition. We are deeply grateful for your contributions and thank you for all you do to enhance pediatric healthcare in Edmonton and throughout northern Alberta.
